

A **Ministry Team** is available at each service to pray with you. Please come to the chancel at both services, either during Communion or after the service. Please come for prayer whatever the problem, for encouragement or to give thanks for something.

We have a hearing loop available in the church and we would like to ask hearing impaired people to sit near the centre (within the loop) and switch their aids to the T setting in order to gain the benefit of this facility.

We do not take a collection at all our services. If you would like to give an offering towards the continuing work of the church here, please place it in the plates at the back of church, or give it to one of the stewards. Thank you.

Diary dates for February are now available on the website. Please ensure that you regularly look at the website, to keep fully up-to-date with all that is going on at St Stephen's and in the surrounding area.

***Honouring God, following the example
of Jesus and sharing his love in our
community***

If you are with us for the first time, we are especially pleased to see you. No matter who you are or where you are on your spiritual journey, we hope that you will be able to meet with God through our services. God, through His Holy Spirit, wants to meet each of us in a special way - to transform us. God may speak to you as an individual - He may give you something to share with the congregation. If He does, please write it down and give it to Danny.

Please could people remember to let the Office know of dates for the Calendar as soon as possible.
