

ROCKE PRAYER SHEET September 2010

Isaiah 45 v2-3

ENCOURAGEMENTS: -

CHURCH:

- Possibility of the Baptist Federation buying our building which would enable us to develop the site properly, which would help our outreach into the community
- Success of the Bless/La Source mission in Hauteville (Lisieux's poorest area) with over 75 people joining us for our final evening celebration, many from Hauteville (top photo)
- Continued support of the children's school for the prayer group there (photo →)
- Youth room finished (or almost...) and appreciated by many (photo below)!

OUR BUSINESS:

- Encouraging repeat visit from an influential client and other contacts maintained with past English teaching clients
- Encouraging B&B season following our switch to Gîtes de France

FAMILY:

TIM/JANE - * Encouraging time at Detling following which we have been inspired to create a prayer room in the main house with the desire to commit in a new way to pray for our clients and the surrounding area. * For the powerful time of healing and restoration that Jane received on the Living Waters retreat in Viviers in July. * Thanks for the Lord's continued provision during this difficult time financially and for our rather wet but enjoyable camping holiday in Brittany.

HANNAH - successful summer mission in Croatia and relaxing summer before starting at York in October

WILL - raised the entire amount for his Uganda trip on his sponsored climb of the three peaks. Really enjoyed his time in Uganda. Passed his Bac with a mention "bien" and has been accepted by Exeter to read Maths

JAMIE - only just missed his Brevet but motivated to redouble and try again this year

JOHNNY - enjoyed Detling and a relaxing summer

ESTHER - for her successful start at the Primary school in Livarot

REQUESTS: -

CHURCH:

- That renovations to the Oasis room (principally the Kids Club room) would be realised
- That the Baptist Federation would continue to be interested in buying the building
- That Matt and Bex Long (our youth workers) would be encouraged with the youth work at La Source especially after the mission
- That an idea to develop a monthly 'messy' church service up at Hauteville would grow, building on the mission outreach there
- For continued unity in the leadership, and clarity during a season of change

BUSINESS:

- That we would receive bookings for English teaching and that our prayers would bear fruit

FAMILY:

- TIM/JANE - that they would be patient as they continue to wait on the Lord for His plans to be revealed regarding their property and their business, and that the Primary school at Livarot would be open to the idea of a prayer group
- HANNAH - for a smooth start to university in October
- WILL - for peace as the time approaches for him to start at Exeter and for friendships there
- JAMIE - that the good start to the school year would continue
- JOHNNY - that he continues to manage to find the right balance between work and play at school
- ESTHER - that she would settle quickly into her new school routine and that the language difficulties would not pose too great a challenge
