

Who we are?

We are a group of business professionals and fully trained advisers from the Three Counties area. We are all practising Christians and attend different Church's in Haslemere and beyond. Irrespective of our different denominations, we all work together to give impartial advice and assistance on a variety of money related issues. We operate in Partnership with Frontline Debt Advice UK.

Why we do it?

We are all volunteers, offering our services for FREE. Financial debt can feel like a prison, and the Bible teaches us that Jesus came to "set the captives free". We hope that through the work of **Three Counties Money Advice**, we can assist our clients in being set free from debt, and believe this is a practical outworking of Christian faith.

What's in it for you?

You will have someone to share your situation with, who will listen and not judge you. They will help you to look at your situation with a view to finding solutions, not focusing on the problems. They will work diligently on your behalf to source the best outcome for your situation. You will always be treated with care and respect. You will not be hurried or pushed aside and **OUR SERVICES ARE FREE!**

How do I know if I need help?

You may have an overwhelming debt that has got out of control, or a business that never seems to quite pay its bills. You may be confused about what benefits you are entitled to or just lack confidence in managing your day to day accounts and frightened by a tax form.
