

5 YEARS IN CAPE TOWN

28th August 2009 to 28th August 2014

It's been an eventful, exciting, fruitful, emotional roller-coaster, faith testing, heart breaking, joy bringing, hope filled adventure. Thank you for making it possible through your prayers, financial support and on-going encouragement. We definitely couldn't have got this far without you!

Sharing Life Together

Opening our home, sharing hospitality and journeying in community through life's ups and downs has been a major focus of our 5 years here. This photo shows Louise at a Rwandan wedding

Growing Up Together

Grace was just 11 when we landed and is now in V1th Form at the International School studying AS levels. She's embraced the outdoor life, the cultural diversity and made many good friends.

Doing Ministry Together

Bruce and Loo have been involved in a wide range of ministry experiences during the past 5 years - prisons, Capricorn Church, health education in the townships, professional soccer ministry and much more!

NADIN'S IN CAPE TOWN

"Serving with the fatherless, the widows and the poor through the local church, football and medicine"

We are completely dependent upon the generous financial support and prayers of individuals and churches. If you wish to support us financially or receive prayer updates please contact us - brucenadin@gmail.com
