WEEK 7

Welcome back to the second half of the spring term. We have a new topic- People who help us and this week we kick it off with Doctors and [a visit from Karen and Rosie, former Rainbow mums, who are paramedics. They will be coming in to talk about their job and inviting the children aboard the shiny ambulance!](#) This is opportunity is open to the whole nursery so if you would like to join us, please do so. However you must stay with your child for the duration of the visit. Staff are not able to supervise children that don't usually attend Monday morning. The role play area will be set up as a Doctor surgery. With real stethoscopes which will be available for staff to use with the children! We will also have the egg microscope to the computer for close up investigations too. We practice our Easter songs ready for the forthcoming Easter kids praise Service on 21st March.
