

**These are the exciting developments at The Orchard Club - praise God!**

- ❖ We are holding our first Christmas Service on Thursday 5th December everyone is welcome to come and join us.
- ❖ We are considering offering the 6 week starter course.
- ❖ We have just purchased our new car and will be now able to transport wheelchair users and others to and from The Orchard Club to attend activities, come to lunch etc.
- ❖ In addition to those of us already working at The Orchard Club, myself, Jo Long, Victoria Leake, Penny Baker, Bill Kennedy, Annie Longhurst and Emma Cunningham, we have even more members of St. Stephen's involved. Andy and David Laver are coming to run the computer drop in class and Jim has been to play for us. Aside from that, Nicky Lee chairs our trustee group of which Bill is a member too.
- ❖ We are planning to start a visiting service in the new year.
- ❖ Our Friend's Group continues to thrive meeting the needs of elderly housebound, fragile and higher dependency individuals.

**Please pray for:**

- ❖ The lonely and housebound
- ❖ The continued development of links between St. Stephen's, (particularly Prime Time) and The Orchard Club
- ❖ Christians being able to make a difference.
- ❖ God's blessing on the building, the people who work there and all our visitors.
- ❖ More volunteers, especially drivers for the car.

Thank you all for praying for us.
