As always, we have done our best to meet your requirements, and are very grateful to you for your reliability in fulfilling your slots. If you cannot minister, and are quite unable to organize a swap (telephone numbers overleaf), please let Jean know as early as possible. **Please also remember that you are welcome to minister at any service, especially when it is clear that there are many people seeking prayer.** Michael will minister (9 a.m.) when he is not on the sound desk.
