

Worship at Home Resources

St Stephen's is committed to helping you stay close to God and grow in faith throughout this time. Rev Jenn will be using the prayer services from the "Worship at Home" pdf on the Church of England Website (<https://www.churchofengland.org/more/media-centre/coronavirus-liturgy-and-prayer-resources>). You can join her every day at 7.30am and 7.30pm. As a team, we will try to stream the services on Facebook live each day and would love you to join us. Other resources are available on that website.

There are other resources from other sources that we would recommend.
