

COVID-19 SUPPORT

Haslemere & Surrounding Areas

Dear Resident,

I am writing to reassure you that, in what continues to be a difficult time for all of us, help and assistance is available to those who need it.

Over the past few months, well established organisations and newly formed community groups have been working to establish a network of support. This updated leaflet gives the key contact details for services that you may need to access.

The most effective means of sharing this information for people who are not regular users of social media will be via email, please share widely with your contacts. Also please post on your website or other social media.

Please do continue to follow the latest Government advice as it emerges at <https://www.gov.uk/guidance/coronavirus-covid-19-information-for-the-public>

Yours sincerely

Cllr John Robini

Haslemere Town Mayor

Criminals are using the Covid-19 pandemic to scam the public – don't become a victim - <https://nationalcrimeagency.gov.uk/news/fraud-scams-covid19>

STOP

Taking a moment to stop and think before parting with your money or information could keep you safe.

CHALLENGE

Could it be fake? It's ok to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.

PROTECT

Contact your bank immediately if you think you've fallen for a scam and report it to Action Fraud.
