## **Prayer points for this week**

---

**Mission Partners for January.** This month we join in praying for **Jane and Tim Rocke**. Please pray that we get everything done in time for the start of the season. That we manage to put in place the pastors for the high season. That the couple who are interested in joining us from the American mission are able to come. That the season is protected. That Manu, our only permanent employee who is about to be off for a few weeks with a hernia operation, returns strong and healthy. Strengthening of the Christian community that we are building here.

Parish Roads Trout Road

General We pray for Paul and Pebbles as they prepare for their marriage at St Luke's, Grayshott in March.  
We continue to pray for all those that are ill and suffering at this time, especially Jenn, Andrew, Elizabeth and all those known personally to us.

Rest in Peace We remember Stan and Heather, and all those who have died recently. Pray for their family and friends. See over for details of the funeral for Stan.

## Thank You

I have been overwhelmed by all your messages, especially those which remember, as I do, Stan as such a lovely man. His funeral will be at Guildford crematorium on Monday 31st January at 10.30am. Anyone who would like to come will be most welcome. There will also be a webcast at <https://www.wesleymedia.co.uk/webcast-view> the login Pin for which is 891-9278 and it will be available for 7 days after the 31st.

Once again, you have all been so kind, and we appreciate your kindness very much. Thank you. With love, Hilary

## Update on Andrew Lee

Andrew is still at the Royal Surrey, waiting for a bed to become available in the Bradley Clinic in Woking for further intense physio and rehabilitation. He is hitting his weekly targets and his communication is improving. He can read and respond briefly to texts and Whats Apps and likes to receive them, so do send (07825382688). He now only needs one person to help him transfer from bed to standing to chair, and no longer needs a hoist. He has taken some '5 inch steps'. Please continue to pray for his progress, and if you would like to be added to the Whats App group Nicky has set up for updates then do contact her and let her know (07946590523).
